Supporting Student Success

<p>Literacy Goal: To improve student achievement in writing with a focus on idea development and organization.</p>

<p>Math Goal: To Improve student achievement in partitioning and representing, and it's application to operations.</p>

Attendees: Sherry Fraser (Chair), Dan Gilfoy, Oliver Jupp, Beth Drummond, Annmarie Isnor, Michelle Quigley, Pat Wells, David Kehoe

- **Administration report was shared by Mr. Jupp. Highlights:** Several emergency preparedness drills conducted, picture day was held, registration forms sent home to update, we will be doing a Halloween trivia this year instead of a parade, and we have begin weekly kindness affirmations and kindness callouts.

- **Student success plan was reviewed. We will continue to gather evidence and support students**

Finance: We reviewed from the Agenda the criteria we need to follow when spending SAC money and how it needs to be connected to our SSP goals. Dan will speak with teachers about what their needs are in the classroom

-We spent a considerable amount of time discussing what school is like in a pandemic and discussing what Plan B would look like and it's impact on Central Spryfield. Classes will have 15 students in classes, the desks will need to be 2 metres apart.

-**Water Consumption:** All schools will continue to be supplied with jugs of water, regardless of the results of the individual school tests

-**Pizza at lunch:** Dan will reach out to Alexandra's about them providing individually boxed slices of pizza, and sourcing other businesses if not possible.

-**Class activities around Christmas.** Dan will reach out to teachers about ideas for Christmas since there won't be a concert.

Next Meeting: Monday, December 7, 2020.
